Operation Enduring Gratitude

www.oegaz.org

Operation Enduring Gratitude provides services to underserved veterans. We install mobility ramps (80+ to date) that allow veterans easier access to their homes. We remodel bathrooms to make them handicap accessible. We have completely rebuilt several homes to make sure our veterans and their families have reliable housing. All of these services are done at no cost to the veteran. We have operated as a non-profit (501 c3) since 2014.
